

## Index of Names and Instruments

|                                      | <i>Page(s)</i> |
|--------------------------------------|----------------|
| Arnaud, Jean                         | 18             |
| Barton, Ken                          | 20, 21, 30     |
| Boulade, Olivier                     | 17, 18         |
| Campbell, Bruce                      | 23             |
| CCD System                           | 25, 31, 33     |
| Christian, Carol                     | 17, 18, 38     |
| Coude'                               | 20, 21         |
| Enfante, Paolo                       | 10             |
| FOCAM                                | 25             |
| Fourier Transform Spectrometer (FTS) | 27, 28, 33     |
| Gemini                               | 26             |
| Grillmeyer, Karl                     | 10             |
| Hamilton, John                       | 30             |
| Herzberg Spectrograph                | 27             |
| Hesser, Jim                          | 20             |
| Hongren, Dave                        | 10             |
| Jones, Joe                           | 17, 33         |
| LeFevre, Olivier                     | 17, 18, 38     |
| Lowe, Thomas                         | 10             |
| Magellanic Clouds                    | 12             |
| Maillard, Jean-Pierre                | 33             |

|                                 |               |
|---------------------------------|---------------|
| McLaren, Bob                    | 14            |
| Mega Cam                        | 32            |
| Nieto, Jean-Luc                 | 27            |
| Pomansky, Charlie               | 29            |
| Pritchett, Chris                | 8, 11, 13, 14 |
| Pryor, Tab                      | 20            |
| Purves, Norman                  | 30            |
| Queue Scheduling                | 26, 27        |
| Rigaut, Francois                | 34            |
| Robb, Russ                      | 8             |
| Scarfe, Colin                   | 9, 11         |
| Simons, Doug                    | 18            |
| Song, Bobby                     | 29            |
| Subaru                          | 22            |
| Sydserff, Peter                 | 35            |
| Time Allocation Committee (TAC) | 24            |
| UKIRT                           | 22            |
| Vandenbergh, Don                | 11            |
| Vigroux, Laurent                | 18            |
| Walker, Gordon                  | 23            |
| Willett, Eric                   | 30            |
| WIRCAM                          | 32            |
